Complimentary oral examinations and sealant placement will be provided for children (6-14 years of age).

A dental sealant is a clear, protective coating placed on permanent back teeth in order to prevent dental decay. Preventive services will be performed by licensed dental hygienists in conjunction with Montgomery County Community College dental hygiene students and in consultation with licensed dentists.

Call 215-641-6483 to schedule an appointment. Montgomery County Community College’s Dental Hygiene Clinic is located at 340 DeKalb Pike in Blue Bell, PA.
(Rt. 202 and Morris Road — use Morris Road entrance.)
Free parking.

Space is limited.

Clients will be scheduled on a first come, first served basis.
